## Work Related Experience

### ○ Failure Analysis Technician (Intern) at STMicroelectronics Inc. 2019 - 2020

As a responsible and detail-oriented individual, I am committed to collecting and analyzing data to identify the root causes of problems with electrical and thermal components, including integrated circuits. I possess a strong analytical mind and am eager to take on new challenges and continuously learn and grow in my field. I am excited to further develop my skills and problem-solving to drive successful outcomes.

## Education

### Bachelor of Science in Computer Engineering Lyceum of the Philippines University – Laguna 2014 - 2022

## Seminars

### ○ Mobile Cellular Standards in the Philippines Lyceum of the Philippines University – Laguna January 11, 2016

### ○ Lecture Series on Robotics, Mechatronics, and Artificial Intelligence: Mobile Robots and Micro Robotics Lyceum of the Philippines University – Laguna October 12, 2016

### ○ Data Science and Artificial Intelligence October 1, 2018 Lyceum of the Philippines University – Laguna

## Relevant Skills

- Software & Hardware Troubleshooting
- Microsoft 365
- AutoCAD
- Operating Systems
- Arduino & Raspberry Pi
- Analytical Skills
- Python
- C++
- Visual Basic
- MySQL
- JavaScript
- HTML & CSS

## Certification

### Technical Support Fundamentals Coursera June 2023

### Introduction to Microsoft Azure Cloud Services Coursera June 2023

### Installing & Configuring Computer Systems TESDA Online Program March 2023

### Setting up Computer Servers TESDA Online Program March 2023

### Maintaining Computer Systems and Networks TESDA Online Program March 2023

### Microsoft Technology Associate: Networking Fundamentals (MTA) May 2019
